Subject: FW: Rosemont Mine Update

See the message below.

Particular reference to the upcoming timelines for action. This is very tight. Please let me know that the appropriate people will be able to participate.

Steve, Cliff Rader is on the message, but please also coordinate with appropriate NEPA folks in OGC.

Let me know if you need anything from me. I expect to be in the office first thing Monday morning, weather permitting.

Thank you,

Ken
